## Emerging Mineral Sands developer – Australia and Tanzania

### Principal Legal Counsel (General)

Strandline Resources Limited is on an exciting trajectory from developer to major mineral sands producer. The Company's strategic plan has it developing the world-scale Coburn mineral sands project in Western Australia. Strandline also owns and emerging portfolio of mineral sands growth projects in Tanzania.

The Company has a new opportunity for a Principal Legal Counsel (General) to provide high-quality legal support and services across the business. We are seeking a commercially and compliance minded lawyer with 10-15+ years' experience to lead our in-house legal function and support Company Secretary activities. This pivotal role will see you working closely with the Company's project and operational teams to provide strategic advice and hands on support with a key focus on managing complex contracts, as well as corporate legal and compliance matters.

Key responsibilities include:

- Provide high-quality legal advice to the Company's board, senior leadership team, project teams and Company Secretary on commercial, legal and corporate compliance matters
- Demonstrate strong commercial acumen and business focus and be able to apply pragmatic, strategic and critical thinking to deliver positive outcomes
- Oversight and hands on management of material contracts and agreements across the business including projects, operations and corporate matters, including procurement supply and services contracts
- Evaluate and engage external counsel and manage the provision of legal services from specialist providers
- Lead corporate transactions, including due diligence and negotiation of contractual arrangements
- Evaluate commercial and legal risks and opportunities across the business and ensure mitigation strategies are implemented, including through appropriate contractual terms and conditions
- Provide legal support in Government and Stakeholder engagement matters
- Ensure legal activities are conducted in accordance with the Company's corporate governance and policies and contribute to continuous improvement of the legal and commercial function
- Uphold documentation standards by ensuring contract documentation is properly completed, administered and executed and that sufficient records, registers and notices are maintained
- Ensure that the business unit/project stakeholders are aware of the contractual and legal requirements and assist them to address contract performance
- Contribute to embedding an inclusive and high performing culture underpinned by the values of integrity, trust, courage, respect and performance excellence

Key requirements include:

- Degree qualified in law with at least 10-15+ years of relevant legal experience
- Strong understanding of statutory reporting requirements
- Demonstrate strong leadership skills, including experience in managing, coaching and developing others
- Proficient written and verbal communications, with strong attention to detail
- Ability to react, adapt and respond quickly to arising issues
- Possess strong interpersonal, influencing and communication skills
- Experience in the resources industry and Company Secretarial exposure in an ASX-listed company will be highly regarded

An attractive remuneration package will be offered to suitably qualified and experience individuals.
