

STRANDLINE
resources limited

Emerging Mineral Sands developer – Australia and Tanzania

Principal / Senior Project Controls Planner

- **Development of the world-scale Coburn Mineral Sands Project in Western Australia**
- **Proven project controls professional with exceptional planning credentials**

Strandline Resources Limited is on an exciting trajectory from developer to major mineral sands producer. The Company's strategic plan has it constructing the world-scale Coburn mineral sands project in Western Australia. Strandline also owns and emerging portfolio of mineral sands growth projects in Tanzania.

Strandline is now seeking an experienced project controls professional to join our in-house project and operational management team. To be considered you will need to demonstrate strong experience in managing complex project schedules (using Primavera and MS Project) and cost control for major projects in the resources sector.

Key Personal Attributes include:

- Qualification in project controls and planning or demonstrated industry experience
- Experience managing multi-scope, multi-discipline integrated project execution schedules and cost models
- A motivated, self-starter with high attention to detail and pragmatic approach to problem solving
- Contract and commercial acumen combined with well-developed leadership and communications skills
- Strong computer literacy skills with high proficiency in the use of Microsoft office software (Primavera, MS Project, Excel, Word, Power Point, Outlook)

Key responsibilities include:

- Lead and manage project controls function as it relates to planning of complex execution schedules and integration of cost management and controls through the phases of development and operations
- Establish and maintain effective working relationships with internal and external resources, including consultants, contractors, vendors, authorities and other stakeholders
- Develop and manage master project schedules incorporating all scopes of work, interfaces, milestones and workstreams through design, procurement, construction, commissioning and operations
- Coordinate, integrate and review contractor/supplier schedules, providing resource levelling, labour histograms, progress tracking, earned value progress curves and cost control reports
- Develop simple, concise and professional report presentations that show project performance, progress, forecasts, scenario analysis, dashboard metrics, risks and opportunities to support management decisions
- Assist to manage contract packages and integrate cost control functions into the master project schedule, including generation of cost and cashflow models for actual and forecast activities
- Participate in procurement tendering, negotiation and award of contracts in varying execution models. I.e. Supply Only, Installation, EPC, Design and Construct etc
- Contribute to continuous improvement, enhancing delivery methods and working within a multidiscipline project and operational team environment

An attractive remuneration package will be offered to suitably qualified and experienced individuals. We believe this opportunity to join an emerging mineral sands developer and be instrumental in the successful delivery of a world-scale greenfield project is an exciting opportunity for career development and progression.

The role will be primarily based in Strandline's Perth office, with site trips (to Shark Bay WA) as required to help oversee and manage the execution of construction, commissioning and operational ramp-up.

The role requires a strong commitment to health, safety, environment and community, including indigenous engagement and stakeholder management.

Applications should be forwarded to enquiries@strandline.com.au, addressed to Karen Trapnell and reference to role title **(RE: Principal / Senior Project Controls Planner)**.

We are an Equal Opportunity Employer and promote equality and diversity. Indigenous Australians and candidates from minority groups are encouraged to apply.

***Please note only successful applicants will be contacted* No advertising agencies will be accepted.**
