- Working closely with the Finance Teams and Site personnel to assist in month end results analysis
- Support the Finance Team with financial reporting requirements including half-year, full-year, and statutory reporting for the group and subsidiaries
- Assisting in preparation of monthly BAS and payroll tax submissions;
- Assist with ensuring the Accounts Payable function is running smoothly.
- Support in Tax compliance activities
- Assist in process improvements, systems enhancement initiatives and proactively identify new initiatives that could benefit the organisation;
- Assist with preparation of technical accounting assessments, including researching and applying new accounting standards including IFRS 16 Application within the business.

What you'll bring to the team

- Commerce degree/tertiary qualification in accounting
- CA/CPA Qualified
- Mining Experience desirable
- Big 4 experience highly regarded
- Proficient Microsoft Excel skills
- Pronto experience advantageous
- Effective communicator, driven with growth orientation.

An attractive remuneration package will be offered to suitably qualified and experienced individuals. We believe this opportunity to join an emerging mineral sands producer and be instrumental in the successful delivery of a world-scale greenfield project is an exciting opportunity for career development and progression.

In return for your commitment and energy, you will be well supported, valued and recognised in your role, as part of a dynamic finance team located in the Perth CBD, close to public transport and with excellent end of trip facilities.

We are an Equal Opportunity Employer and promote equality and diversity. Indigenous Australians and candidates from minority groups are encouraged to apply.
