

BOARD UPDATE

Strandline Resources Limited (ASX: STA) advises that Tom Eadie has retired as a Non-executive Director, effective from 1 July 2022.

Strandline Chairman Didier Murcia thanked Mr Eadie for the key role he had played in helping to establish the Company and its strong asset base.

“Tom was instrumental in the formative stages of Strandline and its acquisition of a portfolio of Tanzanian mineral sands project assets,” Mr Murcia said.

“He has provided strong leadership and guidance over many years, including during his time as Managing Director in 2016, and has contributed significantly to discovering and growing what is now a highly valuable pipeline of minerals sands projects.

“On behalf of the Board, I would like to thank Tom for his leadership, wisdom and support and wish him every success in his future endeavours.”

This announcement is authorised for release by the Strandline Resources Board of Directors.

ABOUT STRANDLINE

Strandline Resources Limited (**ASX: STA**) is an emerging producer of heavy mineral sands with a portfolio of development assets located in Western Australia and within the world’s major zircon and titanium producing corridor in East Africa.

Strandline’s strategy is to develop and operate high margin, expandable mining assets with market differentiation and global relevance in the sector.

Strandline’s project portfolio contains high quality assets which offer a range of development options and timelines, geographic diversity and scalability. They include the world-scale Coburn Project in WA, currently under construction, and the exciting Tanzanian growth projects Fungoni and Tajiri.
